This letter is in response to questions you raised about the above referenced report.

1) Schedule A Line 15 regarding DeWine Campaign

We have charged the DeWine Campaign the normal charge for similar office space in the area.

2) Schedule A Line 17 State of Ohio

This check is for tax check-off funds which were approved as federal funds many years ago. This is the portion due to the party from the State Tax Check Off Fund.

Sincerely,
Terri Matthews
